Relative to membership, I think I forgot during our Sunday meeting to take a vote to authorize Brad to prepay for any lagging Dual members. With the idea that the membership card would be accompanied by a message that says we'd appreciate their payment and it lagging must be an oversight. Prior activities like this yielded some good results and helped meet the end of year number.

Please reply with your Aye or Nay to the above proposal.

Thx,

Relative to membership, I think I forgot during our Sunday meeting to take a vote to authorize Brad to prepay for any lagging Dual members. With the idea that the membership card would be accompanied by a message that says we'd appreciate their payment and it lagging must be an oversight. Prior activities like this yielded some good results and helped meet the end of year number.

Please reply with your Aye or Nay to the above proposal. Thx,

Mike A.

Mother's Day Tip Donation

All in favor of donating our Mother's Day tips (in their entirety, meaning we eat the cost of the buffet since we are not charging anyone) to Child Welfare Foundation (CWF) please reply with Aye or Nay. I wanted to get this done in advance so we can tell our diners about the program and the impact of their tips.
