To Whom It May Concern:

Thank you for your support of United Food Bank. Your generous donation of \$750 on 11/11/2021 will support our mission to feed hungry people in order to stabilize their lives. Your financial support, when combined with the support of others, helps us continue in our mission of feeding the hungry in the East Valley and Eastern Arizona.

Your donation is critical to the work we do with our more than 165 community partners in our service area. An investment in our mission is a good one: of every dollar donated, 96 cents goes directly to provide food and services to the 1 in 4 children, 1 in 6 people and 1 in 7 seniors who struggle with food insecurity throughout Arizona.

The generous support of individuals like you makes it possible for our organization to provide and distribute more than 75,000 meals per day to your neighbors in need! We are thankful for your partnership in alleviating hunger and the trust you instill in us to be good stewards of your support.

If I can provide more information about our work, host you for a tour or volunteer event, or answer any other questions you may have, please do not hesitate to contact me directly.

Thank you again for your support! Together, **#WEFEEDAZ!**

Sincerely,

Thank you!
